

Hotels.com Announces Sixth Annual Fairway to Wellness Charity Golf Tournament

October 30, 2017

Headline sponsor Hotel Planner presents Larry Brown, Jr., former NFL cornerback and MVP of Super Bowl XXX who is scheduled to attend

DALLAS, Oct. 30, 2017 — Hotels.com® today announced the sixth annual Fairway to Wellness Charity Golf Tournament happening on Thursday, November 2. Hosted at the Cowboys Golf Club in Grapevine, Texas, the sponsored tournament will benefit St. Jude Children’s Research Hospital, American Cancer Society and the American Diabetes Association.

The annual tournament has donated more than \$725,000 over the last five years, including a record-breaking \$255,000 in charitable contributions from last year’s event. All funds donated stay with local beneficiary charities to directly support the Dallas-Fort Worth, Texas area.

“This year we continue the great work our brand partners and employees began six years ago and we’re thrilled to help raise awareness and funds for these three organizations that are making life-long advances in health and wellness,” said Josh Belkin, VP and general manager, North America for the Hotels.com brand.

Founded in 2012, the tournament began as the brainchild of two Hotels.com employees who were impacted by cancer and diabetes. In the years since, employees from the Dallas-based Hotels.com headquarters have volunteered annually to organize the event.

Title/Headline through Bronze level sponsors include: HotelPlanner.com (Headliner); Salesforce and Teleperformance, and Performance Horizon (Platinum); Assembly, CJ Affiliate by Conversant, Crispin Porter + Bogusky and WNS North America, Inc. (Gold); HRG WorldWide, Convergys, Linfield Media, Intent Media, TripAdvisor, Button, Quantcast, and Intelenet Americas LLC (Silver); Facebook, Persado, Mastercard, Criteo, RetailMeNot, 24/7 Inc., Sykes International, Ebates, Interglobe Technologies, and VISA (Bronze)

About the American Diabetes Association

The American Diabetes Association is leading the fight to Stop Diabetes and its deadly consequences and fighting for those affected by diabetes. The Association funds research to prevent, cure and manage diabetes; delivers services to hundreds of communities; provides objective and credible information; and gives voice to those denied their rights because of diabetes. Founded in 1940, our mission is to prevent and cure diabetes and to improve the lives of all people affected by diabetes. For more information please call the American Diabetes Association at 1-800-DIABETES (1-800-342-2383) or visit www.diabetes.org. Information from both these sources is available in [English](#) and [Spanish](#). Hotels.com also has a custom donation page here: www.hotels.com/ADA

About the American Cancer Society

The American Cancer Society is a global grassroots force of more than 3 million volunteers saving lives and fighting for every birthday threatened by every cancer in every community. As the largest voluntary health organization, the Society's efforts have contributed to a 20 percent decline in cancer death rates in the U.S. since 1991, and a 50 percent drop in smoking rates. Thanks in part to our progress, nearly 14 million Americans who have had cancer and countless more who have avoided it will celebrate more birthdays this year. We're finding cures as the nation's largest private, not-for-profit investor in cancer research, ensuring people facing cancer have the help they need and continuing the fight for access to quality health care, lifesaving screenings, clean air, and more. For more information, to get help or to join the fight, call us anytime, day or night, at [1-800-227-2345](tel:1-800-227-2345) or visit www.cancer.org/fight. Hotels.com has a custom donations page [here](#).

About St. Jude Children's Research Hospital

Since opening more than 50 years ago, St. Jude Children's Research Hospital has changed the way the world treats childhood cancer and other life-threatening diseases. No family ever pays St. Jude for the care their child receives and, for every child treated here, thousands more have been saved worldwide through St. Jude discoveries. The hospital has played a pivotal role in pushing U.S. pediatric cancer survival rates from 20 to 80 percent overall, and is the first and only National Cancer Institute-designated Comprehensive Cancer Center devoted solely to children. It is also a leader in the research and treatment of blood disorders and infectious diseases in children. St. Jude was founded by the late entertainer Danny Thomas, who believed that no child should die in the dawn of life. Join that mission by visiting [stjude.org](https://www.stjude.org) or following us on facebook.com/stjude and twitter.com/stjude.
